Petition for Recall of Provide the name of the public officer and the position that they currently hold.

Name of Public Officer**Title of Public Officer****Lindsay Berschauer****Yamhill County Commissioner**

Statement Provide the reasons for demanding recall in 200 words or less. Any factual information provided must be true.

The people of Yamhill County deserve Commissioners who represent them faithfully, ethically, and professionally. Commissioner Berschauer has neglected her duties, and abused her position to the benefit of special interests, her friends, family, and donors.

Rather than listening to her constituents' concerns, Commissioner Berschauer uses her official platform to attack and intimidate those who question her agenda. She published the personal information and addresses of private citizens and local small businesses on her social media simply for exercising their democratic rights. Commissioner Berschauer operates a political consulting business while acting as county commissioner, but has never disclosed her clients. She has exploited her platform to back extremist candidates, who are bankrupting the Newberg School District. Commissioner Berschauer sent millions of investment dollars out of Yamhill County, creating a hostile environment to local businesses. She thwarted economic development and delayed the disbursement of \$10 Million American Rescue Plan dollars earmarked to help Yamhill County workers, families and small businesses, instead declaring a State of Emergency that only placed Yamhill County families at even greater risk.

The people of Yamhill County have spoken. Commissioner Berschauer's extremism, fiscal mismanagement, and bad-faith representation are at odds with Yamhill County values. She must be recalled.

Chief Petitioner Information The chief petitioner must remain throughout the petition process or the petition is void.

→ By signing this document, I hereby state that any factual information (not a matter of opinion) in the above statement is true.
